Dear Member of Parliament,

I, _____, call for the Federal Government of Canada to support the Criminal Tribunal in Cambodia prosecuting the perpetrators of the Cambodian Genocide under the Khmer Rouge regime.

I feel it a moral and legal obligation of the Canadian Government, representing the Canadian people and the values of justice, human rights and due process we hold dear, to politically and financially support this legal mechanism. A systematic killing of Cambodians took place between the years of 1975-1979, and it is only now that a court is being established to serve justice to the many victims, some of whom have since become our neighbours.

As a global leader in the promotion of human rights and support of law, Canada needs to commit financial and political resources to ensure that one of the gravest human rights violations of the 20th century does not go untried and that the people of Cambodia have justice.

Signed, _____, this date of _____.
